Need I say more?

Chris Rock

Apparently, 1 in 5 people in the world are Chinese. And there are 5 people in my family, so it must be one of them. It's either my mum or my dad. Or my older brother Colin. Or my younger brother Ho-Chan-Chu. But I think it's Colin.

Lenny Henry

Jack Dee

I formed a new group called Alcoholics-Unanimous. If you don't feel like a drink, you ring another member and he comes over to persuade you.

Richard Harris

Abi Titmuss? She's been tied to more bed posts than David Blunkett's dog.

Jonathan Ross

If you're being chased by a police dog, try not to go through a tunnel, then on to a little seesaw, then jump through a hoop of fire. They're trained for that!

I thought coq au vin was love in a lorry.

Victoria Wood

When I was a kid I used to pray every night for a new bike. Then I realised that The Lord doesn't work that way, so I stole one and asked him to forgive me.

And so am I.

Groucho Marx

Well, Art is Art, isn't it? Still, on the other hand, water is water. And east is east and west is west and if you take cranberries and stew them like applesauce they taste much more like prunes than rhubarb does. Now tell me what you know.

Groucho Marx

Babies don't need a vacation but I still see them at the beach. I'll go over to them and say, "What are you doing here, you've never worked a day in your life".

FATHER TED

Dougal: I'm no good at judging the size of crowds Ted, but I'd say there's about seventeen million of them out there.

Mrs Doyle: Are you looking forward to your lunch tomorrow, Father?

Ted: Hmm? I suppose so.

Mrs Doyle: You do like pheasant, don't you Father?

Ted: Pheasant? I love pheasant.

Mrs Doyle: Well there's a little clue. The thing you'll be eating likes pheasants as well.

Dougal: God, I've heard about those cults Ted. People dressing up in black and saying Our Lord's going to come back and save us all.

Ted: No Dougal, that's us. That's Catholicism.

Dougal: Oh right.

Dougal: Can I stay up tonight to watch the scary film?

Ted: Ah, no no no. The last time you stayed up to watch the scary film you ended up having to sleep in my bed. I wouldn't mind but it wasn't even a scary film.

Dougal: Come on Ted. A Volkswagon with a mind of it's own. If that isn't scary, I don't know what is.

Mrs Doyle: Won't you have some cake, Father? It's got cocaine in it. Oh no, hang on, it's not cocaine is it. What do I mean now? - the little things... Raisins!

CHEERS

Woody: Jack Frost nipping at your toes, Mr Peterson?

Norm: Yeah, now lets get Joe Beer nipping at my liver.

Cliff: What a pathetic display. I'm ashamed God made me a man.

Carla: I don't think God's doing a lot of bragging either.

Coach: How's life treating you Norm?

Norm: Like it caught me in bed with its wife.

Frasier: So, um...how do you like Cheers?

Lilith: Well. It seems adequate for its purpose, but I have a feeling that you only brought me to this place to surround yourself with people you know and I don't.

Frasier: Well, yes. But what's more, I thought that we might have a drink or two, thereby lowering our inhibitions a bit and enabling us to go back to your place and have a physical encounter of some sort.

Lilith: Well, we won't.

Frasier: I appreciate your candor.

Lilith: No, you don't.

Frasier: You're right. I feel like striking you.

Woody: Boy, Dr. Sternin-Crane having an affair with another guy. This reminds me of a terrible scandal we had back in Hanover, rocked the whole town to its core. Mayor's wife ran off with old Mr Smithers.

Frasier: Well, that's not so scandalous, Woody.

Woody: Well, Mr Smithers was a goat.

Candi: What's your name?

Frasier: Oh, uh...Dr Frasier Crane.

Candi: I'm Candi.

Frasier: Ah, yes, so I see from your necklace. Candi with an 'i'.

Candi: Well, I used to spell it with a 'y' but nobody ever took me seriously, so then I switched it to an 'i'. You know, like in Gandhi.

Frasier: Yes, yes. I understand that's why he did it.
