Miles  Smith

I'm still making love at 71, which is handy for me because I live at number 63.

Bernie Clifton

I'm a big Bono fan, but the man can't count. On "Vertigo", he begins with 'uno, dos, tres, catorce' which is 'one, two, three, 14' in Spanish. So maybe there isn't a crisis in Africa. Bono's just miscounted.

Al Pitcher

Jason Byrne

Andrew Maxwell

What Iran needs now is a more modern leader - a mullah lite.

Shappi Khorsandi

Why do women insist on asking men what they're thinking? We're thinking: "F***, better think of something to say." Either that or we're imagining that we're spies.

Ed Byrne

In the Bible, God made it rain for 40 days and 40 nights. That's a pretty good summer for us in Wales. That's a hosepipe ban waiting to happen. I was eight before I realised you could take a kagoule off.

Emo Philips

The great thing about Glasgow is that if there's a nuclear attack it'll look exactly the same afterwards.

Ali G

I don't know if you know this, but dolphins ain't fish. They is like us, they is mammaries.

Ali G

Ali G

The English are worried about the Euro being brought in because of loss of national identity and rising prices. In Scotland, people are just worried in case they have to close Poundstretcher.

Frankie Boyle

Koreans have recently brought out their own vegetarian version of an instant noodle snack. It's called Not Poodle.

When I read about the evils of drinking, I gave up reading.

Henny Youngman

Bob Hope

My father carries around the picture of the kid who came with his wallet.

Tommy Cooper

I had plenty of pimples as a kid. One day I fell asleep in the library. When I woke up, a blind man was reading my face.

Rodney Dangerfield

So he said 'I'm going to chop off the bottom of one of your trouser legs and put it in a library.' I thought 'That's a turn-up for the books.'

Tommy Cooper

Cos it's strange, isn't it. You stand in the middle of a library and go 'Aaaaaagghh!!' and everyone just stares at you. But you do the same thing on an aeroplane, and everyone joins in.

Tommy Cooper

There's nobody fitter at his age, except maybe Raquel Welch.

Ron Atkinson (regarding 39 year old Scot Gordon Strachan)

Is it fair to say that there'd be less litter in Britain if blind people were given pointed sticks?

Adam Bloom

My mum and dad are Scottish but they moved down to Wolverhampton when I was two, 'cause they wanted me to sound like a tw*t.

Susan Murray

You have to remember all the trivia that your girlfriend tells you, because eventually you get tested. She'll go: "What's my favourite flower?" And you murmur to yourself: "Sh*t, I wasn't listening... Self-raising?"

Addy Van-Der-Borgh

I went out with an Irish Catholic. Very frustrating. You can take the Girl out of Cork...

Got a phone call today to do a gig at a fire station. Went along. Turned out it was a bloody hoax.

Adrian Poynton

Steven Alan Green

eddie izzard

But with dogs, we do have "bad dog." Bād dog exists. "Bad dog! Bad dog! Stole a biscuit, bad dog!" The dog is saying, "Who are you to judge me? You human beings who've had genocide, war against people of different creeds, colours, religions, and I stole a biscuit?! Is that a crime? People of the world!"

"Well, if you put it that way, I think you've got a point. Have another biscuit, sorry."

Puberty is the sickest joke God plays on us. So you're just noticing members of the opposite sex: "Girls girls, ooo". Naturally you want to look your best, and God says "No! You will look the worst you've ever looked in your life!"

And they always find in archeology "a series of small walls." Every time, a series of small walls. Everywhere you go. "We've found a series of small walls, we're very excited... I think this proves they had walls in olden days. They were very small, and... a series of small wall people." And then someone comes along, very learned, with glasses, "Of course, the king and queen entertained here... 1,500 courtiers, and there were soldiers, 20,000 soldiers in this room, and elephants dancing hopscotch over there... A mad fiddler in this room, playing the banjo, buttocks and aqueducts into a heater..." And you're just watching, and going, "You're making this up, mate! You're just pointing at a series of small walls, going, 'there, there...' Tutankhamen playing banjo in there..." Don't know if it's true."

I did a gig in the US once for the homeless. I said "It's nice to see so many bums on seats."

I'd like to leave you ladies and gentlemen with this frightening fact: I'm not sure if you're aware of this, but if you took all the money that we in the West spend on food in one week, you could feed the Third World for one year. I'm not sure about you people, but I think we're being overcharged on groceries.

No matter how much you give a homeless person for tea... you never get that tea.

My girlfriend bought a cook book the other day called 'Cheap and easy vegetarian cooking'. Which is perfect for her, because not only is she vegetarian...

My girlfriend sat me down the other day for a chat. I say 'chat', it was her talking at me for six hours. I didn't realise that when men say they're 'spoken for' that's actually what they mean. She said "Jimmy, our relationship is at a crossroads. Down one road is struggle and hardship, but eventually, happiness. The other, well, that's a dead end." So I replied, "That's not a crossroads, that's a T-Junction".

A big girl once came up to me after a show and said "I think you're fatist." I said "No, no. I think you're fattest."

I live near a remedial school. There is a sign that says, slow... children. That can't be good for their self esteem. But look of course on the positive side, they can't read it.

I have no problems with buying tampons. I am a fairly modern man. But apparently they're not a "proper" present. "Happy birthday, mum!"

Boycie: I heard a rumour that Mickey Mouse wears a Rodney Trotter wristwatch.

Rodney: As I was saying. On a cold, rainy night in Peckham, someone has arranged for you four to be here in in this room - together. No one knows who. And the most frightening aspect of the whole mystery - no one knows why! Now, think hard. Who would do something like that?

Trigger: Jeremy Beadle?

(The Class of 62)

Del: We had Denzil in goal, we had Monkey Harris at right-back, we had... we had camaraderie.

Trigger: Was that the Italian boy.

(The Class of 62)

Del: I remember her Mum though, she was a fair sort - pig ugly, but a fair sort. I nicknamed her Miss 999 you know 'cos I only phoned her in an emergency!

Del: One of my most favouritist meals is Duck à l'Orange, but I don't know how to say that in French.

Rodney: It's canard.

Del: You can say that again bruv!

Grandad: I mean smoking mari-jew-arna! You brought a slur upon the family name.

Rodney: Oh leave off Grandad. I'd have to get done for chicken molesting to bring a slur on this family's name!

Del: I'll tell you what's the matter with him, shall I, Grandad. The other day I meet a couple of birds right - well, when I say a couple of birds, a mother and her daughter. Now I've known them for a long time, they're two very charming people. Anyway, I suggest we made up a foursome, right. So last night we went out for a drink. We took them out and gave them a nice drink. Had a lovely meal and then, him over there, he goes and gets the sulks don't he.

Grandad: What's the matter with you, Rodney? It sounds like a nice evening.

Rodney: Grandad - when he said we was going out with a mother and her daughter I assumed that I'd be with the daughter. Instead of that, he drags me round every pub in the Old Kent Road holding hands with some old sort with a cough!
