

Asbestos Removal

Asbestos Removal Contractors

Insurance Intermediaries have benefited from placing clients insurances via the Miles Smith scheme for the Asbestos Removal industry, for 25 years.

We are appointed brokers to the Asbestos Removal Contractors Association (ARCA) and work closely with other trade bodies with interests in this sector to ensure an in depth knowledge and understanding of the risks and covers required.

Bespoke covers provided for

- Asbestos Removal Contractors
- Surveyors and Consultants
- Labour Hirers
- Laboratories
- Building Trades with Asbestos Exposure concerns

Not all insurance policies are the same

Liability and Professional Indemnity Insurances are the areas of greatest concern for these clients. Policy Cover available in the market varies considerably. The long term potential surrounding Asbestos requires special attention. The Market generally writes the pollution risk on a 'claims made' basis, although the triggers and scope of cover vary. It is therefore vital that covers are matched when moving providers.
