

# Hazardous Haulage

## Hazardous Haulage Scheme

This is the newest addition to our scheme portfolio available to brokers.

We have negotiated with Summit at Lloyd's / Amlin Unique Motor Fleet and Liability contracts, and this has resulted in what is probably the most comprehensive Hazardous Haulage insurance scheme obtainable in the United Kingdom.

### Scheme cover

- £50,000,000 Third Party Property Damage indemnity in respect of Private Cars
- £20,000,000 Third Party Property Damage limit in respect of Commercial Vehicles
